Robert M.  
Parker, Jr.

92 Points

Drink: 2014 -  
2024

Packaged in a heavy bottle, the 2012 Cabernet Sauvignon Family Estate Reserve reveals a saturated purple color with abundant vanillin notes, structure, density and a higher level of extract than is found in its siblings. Readers who enjoy more structure in their wines will like it even more than I. Drink it over the next 8-10 years.
