

Packaged in a heavy bottle, the 2012 Cabernet Sauvignon Family Estate Reserve reveals a saturated purple color with abundant vanillin notes, structure, density and a higher level of extract than is found in its siblings. Readers who enjoy more structure in their wines will like it even more than I. Drink it over the next 8-10 years.

“A RICH RED WITH BROAD SHOULDERS AND RIPE FRUIT, YET IT TURNS COOL AND FRESH WITH FIRM TANNINS AND A SUBTLE FINISH. DRINK OR HOLD.”
