Join us for our 50th Anniversary at Titus Vineyards this summer!

We would love to celebrate with you here at the winery. We will tour a small group of select members of the trade through the vineyard, the winery and 50 years of our wine growing experience. We'll start with our feet in the 19th Century and some legendary names in the Napa Valley that walked this site and update you on the present stewardship of Eric and Philip Titus. Winemaker Stephen Cruzan will share his latest insights on how he approaches each block, varietal and wine and the dynamics of blending.

It will be an immersive experience! Bring your vineyard shoes, sunscreen and a sweater. The tour will last approximately 90 minutes and will conclude with several library wines and a selection of appetizers to rejuvenate you.

Available tour dates: June 17, July 15, August 12, September 16

Tours requests will be confirmed by email. Contact Colin Wright at cwright@titusvineyards.com to reserve your preferred date now! The dates and the size of each tour are limited to ensure each celebrant have the opportunity to ask questions and have a meaningful dialogue with us. This invitation is not transferrable and is limited to members of trade.

Thank you for your support! We look forward to welcoming you to Titus Vineyards this summer.

Cheers to another 50 years!

Eric Titus
