

# 2019 CABERNET SAUVIGNON NAPA VALLEY

TITUS

50 YEARS IN NAPA VALLEY

- ESTABLISHED 1969 -

Titus Vineyards is a family owned 50-acre vineyard and winery located at the base of Howell Mountain along the Silverado Trail in the heart of the St. Helena AVA, Napa Valley. In the past 50 years, some of the valleys finest wines including Charles Krug, Beaulieu Vineyards and Cuvaison have originated from our historic vineyards. The modern-day legacy of winemaking and land stewardship is reflected in the distinctive character, well balanced wines made here.

## VINEYARDS

- Our home vineyard is located on 40 acres of Napa Valley floor just north of St. Helena on the Silverado Trail. It has well-drained, sandy, alluvial soils and is characterized by its ability to produce complex wines with well-defined fruit flavors, gentle acids, and naturally balanced tannins.
- Our Ehlers Lane vineyard lies to the north of the winery estate, on the northern boundary of the St. Helena AVA. The volcanic slope and rocky stream bed soils yields small Cabernet Sauvignon berries and concentrated fruit.
- Multiple vineyard passes resulted in small lot harvesting that optimizes the timing and selection for ideal fruit maturity.

## VINTAGE

- The 2019 growing season began with ample January rains that continued through the Winter months. Lower than average temperatures as we moved into Spring pushed bud break off a week or two from the normal window. Unseasonable rains moved in the month of May, which did not affect fruit set due to the delay in flowering. At this point the soil moisture was ideal going into the long summer growing season.
- Mild to warm growing conditions throughout June and July allowed the soil to gradually dry and kept the plants in stress free state leading up to and through veraison. A warm August helped the ample crop move along toward maturity, with September providing ideal conditions for extended hang time to develop color and flavor. Similar to 2018, the majority of the red grape harvest was in October.

## WINEMAKING

The 2019 Cabernet Sauvignon was harvested in the four-week period from October 3rd - November 2nd of 2019. After picking the fruit was gently destemmed and then pumped to tank. It was fermented on the skins from 14-60 days and then drained at the completion of maceration. After draining it was racked to 60% new French and Hungarian Oak barrels for ageing. It was then racked quarterly for the first year before being racked to tank in May 2021 for bottling.

The Cabernet Sauvignon in the 2019 Cabernet Sauvignon is primarily from the Titus Ranch Estate. This wine shows off the depth of flavor and lushness of tannins that this site produces year after year.

Vineyard Manager: Eric Titus  
Winemaker: Stephen Cruzan  
Appellation: Napa Valley  
Harvest Date: Oct. – Nov. 2019  
Bottled: May 2021

Blend: 81% Cabernet Sauvignon  
7.5% Petit Verdot  
7% Merlot  
4.5% Malbec  
Cases Produced: 4800

Barrel Aging: 20 months in 60% New  
French & Hungarian Oak  
Alcohol: 14.5%  
Acidity: 6.2 g/L  
pH: 3.82

## TASTING NOTES

Coming from the Titus Ranch Estate Vineyard the 2019 Titus Napa Valley Cabernet displays the balance and concentration inherent in our home vineyard. The wines aromas are perfumed with notes of blackberry, cherry, blueberries, licorice, and freshly roasted coffee. The entry is smooth and generous with lots of fresh berry and mixed berry pie that rounds out with lush tannins. The moderate acid keeps the palate clean through the finish with pomegranate and earl grey tea lingering. Enjoy through 2036.
